the game is fun and i like the art style, oldschool , like atari or c64.
colourful and random oldschool arcade game.
beat the clock , enemies and collect gems and coins.
difficulty is challenging.
50 achievements (please make the steam achievements work)
controller support needs a little work \/wasnt able to use the stick , only pad (on a new xbox \/ but it was so sensitiv he switched more then one floor - please fix that.)
great game
